# 開啓MeshFree主程式,自動開啓MeshFree網站

The screenshot displays the Midas MeshFree software interface. On the left, there is a sidebar with various toolbars and panels, including '操作選項' (Operation Options), '工具' (Tools), '模型' (Model), '材料' (Material), '顏色' (Color), '分析' (Analysis), and '分析工況' (Analysis Status). The main window shows the 'Start Page' with the Midas MeshFree logo and navigation links such as '제품소개' (Product Introduction), '기술세미나' (Technical Seminar), '활용 및 교육' (Application and Education), '체험판 신청' (Request for Trial Version), '제품문의' (Product Inquiry), '기술지원' (Technical Support), and '로그인/회원가입' (Login/Sign Up). A central banner features the text 'CAD만 사용했던 내가 쉽게 사용할 수 있는 CAE가 있을까?' (Can CAE be easy to use for me who only used CAD?). Below the banner, there is a 'New MeshFree 3.0 정식버전 출시' (New MeshFree 3.0 Official Version Released) announcement with buttons for '무료체험하기' (Free Trial), 'New', '개선&신규기능 소개' (Introduction of Improvements & New Features), and 'View'. At the bottom, there are two video thumbnails: '1분만에 알아보는 midas MeshFree' (Learn Midas MeshFree in 1 Minute) and 'MeshFree 제품 시연 영상' (MeshFree Product Demonstration Video). The Windows taskbar at the bottom shows the system tray with the date and time '2018/7/13 下午 09:41'.
